ABOUT US

Social Outcomes Security (SOS) is Australia's first Social Enterprise to operate within the security industry. SOS is certified by Social Traders, registered with the Australian Security Industry Association and holds Labour Hire Certification. Our mission at Social Outcomes Security is to provide high-quality services for our valued clients. Our team goes above and beyond to cater to each project's specific needs. Through open communication and exceptional service, we understand the needs of our clients and tailor our service to meet their requirements.

The demand for ethical and socially conscious goods and services is growing rapidly. SOS is the only social enterprise operating in Australia that offers ethically and socially conscious security services.

SOS seeks to provide ethical security services while creating employment pathways for those stemming from disadvantage, in particular people from refugee and migrant backgrounds, as well as woman in the workplace.

SOS offers people from diverse cultural backgrounds security guard work in a wide range of settings.

SOS provides ongoing support and professional development for all guards we employ.

OUR KEY DIFFERENTIATORS

SOS is not a regular security service, we are a Social Enterprise, complete with a social mission. We offer ethical security services, while providing sustainable employment opportunities for people of refugee and migrant backgrounds.

SOS are one of the select few Security Company's in Victoria to be granted a Labour Hire Certification, confirming our fair work ethics and practices.

SOS works alongside our partners and local networks to identify the best staff for each job, ensuring a quality service and seam free workplace experience, as well as making certain opportunities are being offered to the right people and those who are most in need.

SOS endeavours to hire local people with community knowledge and cultural understanding.

SOS advocates for Social Enterprise Procurement, informing and educating organisations and government about the value and significance of Social Enterprise services and their positive impact on the community and economy.
